Purchaser will be solely responsible for proper use, for supervising the use of the equipment, and for taking such steps including but not limited to providing attendant personnel, warning signs and other controls necessary to ensure the safety of the user or safe operation of the equipment.

Escalator or automatic walks have the potential for end user injuries from passengers falling over the side of the escalator balustrade or autowalk platform to a lower level below when passengers ride the equipment in an unsafe manner. Therefore, although not required by ASME A17.1/CSA B44, KONE strongly recommends that you consult with your architect, structural engineer, contractor, security personnel, or other qualified building professional to review your operations and options to develop an appropriate fall protection solution to limit exposure to falls from your elevated equipment.

If in KONE's sole judgment the equipment presents a safety hazard to the riding public or KONE's technicians (including but not limited to Purchaser's act of creating or allowing unsafe practices or conditions or Purchaser's failure to authorize necessary repairs or upgrades), KONE may immediately terminate this Agreement in its entirety upon written notice. To the extent that KONE provides Purchaser with any oral or written account, report, information, or other statement identifying a safety issue with the equipment that is the subject of the Agreement or otherwise makes any recommendation or proposal to make a safety improvement or to address a safety issue related to such equipment, and Purchaser does not immediately approve KONE's proposal or recommendation, Purchaser agrees to indemnify, defend, and hold KONE harmless for any claims arising out of Purchaser's failure to comply with KONE's recommendations and proposals, and any obligation on the part of KONE to indemnify or defend Purchaser with regard to such claim shall be null and void.

9. NOTICE OF MALFUNCTION OR INJURY

As to any elevator or escalator equipment that is the subject of the Agreement, Purchaser will: (i) immediately shut down any such equipment that presents a potential safety hazard; and (ii) provide prompt verbal notice to KONE's Service Center of such hazard. Purchaser will immediately notify KONE's Service Center of any injury or accident in or about such equipment, followed by prompt written notice of such injury or accident. Any indemnity of Purchaser provided by KONE under the Agreement becomes null and void and will not be considered in interpreting the Agreement if Purchaser does not take the action or provide the notice required by this provision.

10. THIRD PARTY SERVICES

- A. All services within the scope of this Agreement must be performed by KONE or its subcontractors, if any. If Purchaser causes or permits a third party to perform the same or substantially the same services required by this Agreement, Purchaser shall be deemed in breach of this Agreement and Purchaser waives all claims against KONE arising from or related to a third party's performance of such services.
- B. If Purchaser determines that it requires any services outside the scope of this Agreement, Purchaser will provide KONE with an opportunity to provide a quotation for such services or to meet any offer from a third party. If KONE agrees to meet a third party offer, Purchaser will enter into a separate contract with KONE for such services. If Purchaser elects to have a third party perform the services, KONE reserves the right to adjust the price of this Agreement.
- C. If a third party works on the equipment during the term of this Agreement, KONE reserves the right to inspect the equipment and may determine that re-work, different or additional work is required. Purchaser will reimburse KONE for the cost the inspection and any additional work required. If Purchaser declines to have KONE perform the additional work, KONE reserves the right to cancel the Agreement upon written notice to Purchaser.

If the equipment covered under this Agreement was not manufactured by KONE (or a company acquired by KONE), Purchaser will: (i) provide KONE with a complete set of as-built wiring diagrams, (ii) Purchaser will procure and pay for replacement parts or proprietary diagnostic devices from the OEM, if requested by KONE, and (iii) provide Maintenance Control Plan (MCP) test procedures as required by current code, as that code may be changed or amended from time to time. KONE will reimburse Purchaser for the actual cost paid by Purchaser for OEM parts acquired at KONE's request. KONE is not responsible for any delays, damages, cost, or claims arising from or in connection with Purchaser's failure to provide OEM parts or proprietary diagnostic devices in a timely manner. Purchaser authorizes KONE to produce single copies of the EPROM and/or ROM chips for each unit for the sole purpose of an archive backup of the embedded software to allow for replacement of a defective or damaged chip. These will be stored on the building premises and the Purchaser retains possession.

TERMS AND CONDITIONS

1. TERM AND TERMINATION

- A. This Agreement will commence on the effective date and continue for an initial period of THREE (3) years and is non-cancelable. This Agreement will thereafter automatically renew for successive terms of THREE (3) years. Either party may terminate this Agreement at the end of the initial THREE (3) year term or at the end of any subsequent THREE (3) year term by giving the other party no less than ninety (90) days nor more than one hundred twenty (120) days written notice, via certified mail, prior to the expiration date of the then current term of the Agreement.
- B. If the breaching party fails to cure the breach within the specified time period, the non-breaching party may terminate the Agreement upon fifteen (15) days written notice to the other party.
- C. Upon termination of the of the Agreement, a \$500 decommissioning and transfer fee shall apply for any elevator phone that needs reprogramming to a different number for emergency monitoring.

2. CANCELLATION

If Purchaser cancels or otherwise terminates the Agreement in any way inconsistent with the termination provisions of the Agreement, such cancellation will constitute a material breach of the Agreement. In such case, Purchaser will pay as a cancellation fee an amount equal to fifty percent (50%) of the balance of the total price owed for the remaining term of the Agreement. Notwithstanding anything to the contrary in the Agreement, the cancellation fee will be paid by Purchaser immediately upon receipt of KONE's invoice. Purchaser will reimburse KONE for all costs of collection, including without limitation court costs and reasonable attorneys' fees.

3. ASSIGNMENT

Either party may assign the Agreement to a third party upon thirty (30) days prior written notice to the other party subject to the terms of this provision. If Purchaser transfers ownership of the premises on which such equipment is located to a new owner, Purchaser will promptly provide KONE with new owner's contact information and take all such actions as are necessary to assign the Agreement to the new owner. Purchaser will promptly provide KONE with a copy of such assignment. Should the new owner fail to assume this Agreement, Purchaser shall remain liable for all unpaid amounts, including those owed for the balance of the current unexpired term of this Agreement.

4. PRICE ADJUSTMENTS

If the term of the Agreement exceeds one (1) year, KONE may automatically adjust the price annually effective on the first maintenance invoice in each new calendar year. This adjustment will be equal to the percentage increase or decrease in KONE's straight time hourly labor cost. KONE's straight time hourly labor cost equals the sum of the straight time hourly rate plus the cost of fringe benefits and applicable taxes, including without limitation welfare, pension, vacation, paid holidays, insurance and other union contributions, paid to personnel where the Equipment is located. KONE reserves the right to add annual surcharges to the price of the Agreement, including without limitation, cost of materials, changes to government regulations, other administrative costs, adjustments for the then current price of fuel and charges for disposal or other environmental requirements, such surcharges to be specified by KONE in its sole discretion and invoiced by KONE and paid annually by Purchaser.

5. PAYMENT TERMS

Payment is due net thirty (30) days from the date of the invoice. A charge of the greater of: (i) one and one half percent (1½%); or (ii) the maximum rate permitted by applicable law, will be applied to the unpaid balance. Purchaser will reimburse KONE for all costs of collection, including without limitation court costs and reasonable attorneys' fees.

KONE imposes a surcharge for payment made via credit card that is not greater than our cost of acceptance. The surcharge that we impose for this type of transaction is a percentage of the amount paid via credit card, which will be notified to the customer at the payment portal.

6. SUSPENSION OF SERVICE

If Purchaser fails to pay any invoice within the specified payment terms or if Purchaser breaches any material provision of the Agreement, KONE may stop work or suspend its services under this Agreement and/or other contracts with the Purchaser until all invoices are current or Purchaser cures the breach. Any requests for service during the period of suspension of service or repairs necessitated by the lack of maintenance service will be invoiced by KONE and paid separately by Purchaser. If Purchaser fails to make timely payment, any indemnity provided by KONE under the Agreement is null and void as to any damages that arise during the suspension period for non-payment. Purchaser waives all claims against KONE arising from or related to suspension of service pursuant to this provision.

7. TAXES

Purchaser is responsible for the payment of all federal, state, or local taxes applicable to the services or materials provided under the Agreement.

8. INSURANCE AND INDEMNIFICATION

KONE will provide its standard certificate of insurance.

To the extent permitted by law, each party will indemnify, defend, and hold the other party harmless from and against any and all claims, demands, actions, suits, proceedings, judgments, damages, loss, liabilities, costs, or expenses, including without limitation court costs and reasonable attorney's fees, arising from or related to the indemnifying party's sole negligence or willful misconduct in performance of the Agreement. Each party is responsible for its share of any comparative or contributory negligence without indemnity by the other party. Each party's indemnity obligations are expressly conditioned on the indemnified party: (i) giving the indemnifying party prompt written notice of each claim; (ii) promptly tendering to the indemnifying party the defense or settlement of each claim; and (iii) cooperating with the indemnifying party at the indemnified party's expense in defending or settling each claim. If an indemnified party does not comply strictly with the terms of this provision, the indemnifying party's indemnity obligations will become null and void and will not be considered in interpreting the Agreement.

9. LIMITATION OF LIABILITY

- A. Notwithstanding anything to the contrary in this Agreement, KONE's total liability to Purchaser under the Agreement is limited to the total amount paid by Purchaser to KONE during the calendar year in which the liability occurred.
- B. In no event will either party be liable to the other party for indirect, incidental, consequential, special, exemplary, or punitive damages of any kind or nature arising from or related to performance of the Agreement, including without limitation loss of profits, loss or inaccuracy of data, or loss of use damages, even if the party has been advised of the possibility of such damages and even if under applicable law such damages would not be considered for indirect, incidental, punitive, special, or consequential damages. Each party hereby waives its rights to such damages to the fullest extent permitted by applicable law.
- C. If there is any litigation between the parties with respect to this Agreement or the subject matter hereof, the prevailing party in such litigation shall be entitled to collect all of its costs and expenses in such litigation, including reasonable attorney's fees and court costs, from the other party.

10. U.S. GOVERNMENT SALES

If the product(s) or service(s) provided under this Agreement are for end use by a federal, state or local government customer, KONE makes no representations, certifications or warranties whatsoever with respect to the ability of its product(s), service(s) or price(s) to satisfy any applicable federal, state or local statutes or regulations, including without limitation the Federal Acquisition Regulation ("FAR").

11. FORCE MAJEURE

KONE shall not be liable for any loss, damage, claim, or delay due to any cause beyond KONE's control, including, but not limited to, acts of domestic or foreign government (including a change in law), strikes, lockouts, work interruption or other labor disturbance, delays caused by others, fire, explosion, theft, floods, inclement weather, riot, civil commotion, war, malicious mischief, infectious diseases, epidemic, pandemic, quarantine, border or port of entry and exit restrictions or acts of God. In the event of such delays, KONE shall be entitled to an extension in time equal to the length of such delay affecting KONE and an equitable adjustment in the Price. Customer shall compensate KONE for labor and material cost escalations resulting from Project delays not caused by KONE, which extend completion of KONE's work beyond the end of the current calendar year. Customer is on notice that IUEC labor rates increase annually.

12. VENUE

The exclusive venue for any dispute between the parties shall be in the County and State of the KONE office as set forth on Page 1.

13. PROPERTY RIGHTS

- A. KONE will provide Purchaser with any information or materials that it provides generally to all its customers in the ordinary course of its business. Any tools, devices, or other equipment that KONE uses to perform its services or monitor the Equipment remains the sole property of KONE. If this Agreement terminates or expires for any reason, Purchaser will give KONE access to the premises to remove such equipment at KONE's expense.
- B. KONE retains all rights, title, and interest, including all intellectual property rights, in and to the written materials it provides to Purchaser or uses to perform its services, including without limitation shop drawings, technical documentation, and user manuals, and to any software provided with the equipment. Purchaser will not use such software except in connection with the use and operation of the Equipment. Purchaser will not reverse engineer or otherwise attempt to obtain the source code of any software in object code form.

14. MISCELLANEOUS

The Agreement, including any attachments, supersedes all prior written or oral negotiations, commitments, agreements, and understandings between the parties relating to the subject thereof, and constitutes the entire agreement between the parties with respect to the subject matter hereof. The Agreement is not effective until signed by KONE's authorized representative or until KONE commences work under the Agreement. The Terms and Conditions set forth herein shall prevail over and supersede any terms and conditions contained in any documents provided by Purchaser. Notwithstanding anything to the contrary in this Agreement, if Purchaser causes or permits KONE to commence performance of services, Purchaser accepts the terms and conditions of this Agreement. The Agreement may not be modified, amended, canceled, or altered by custom and usage of trade or course of dealing. Any section headings are for convenience only and will not in any way limit the scope or affect the interpretation of any provision of the Agreement. In the event any part of the Agreement is determined to be invalid or non-enforceable, the remaining part or provisions will continue in full force and effect. Agreement does not constitute a waiver of such right, remedy, power, or privilege. A waiver is effective only if in writing and signed by the waiving party. A written waiver of default will not operate as a waiver of any other default or of the same default in the future. The terms and conditions of the Agreement that by their sense and context are intended to survive expiration or termination of the Agreement will so survive, including without limitation the making of all payments hereunder.
