

# Get Help with Your Heating Bills

Canton Residents,

With heating season upon us, Canton is partnering with Eversource on the first Heating Assistance Awareness Month to raise awareness of the many programs available to help pay or lower your heating bill.

If you or someone you know is struggling to keep up with energy bills, now is the time to connect with Eversource to get assistance. **To find the right options for you, call 800-286-2828 or visit <Stay Warm> (<http://www.eversource.com/billhelp>).**

**There is a plan for everyone, including:**

- Get money towards your heating bills through [Connecticut's Energy Assistance Program](#) and [Operation Fuel](#).
- Renters can receive assistance for past due electric bills and rent through [UniteCT](#).

## **Protection Plans**

- Keep your energy service on while you get caught up on your bill with a protection plan such as [Winter Protection Plan](#) or [Medical Protection](#) for customers facing a financial or medical hardship.

## **Payment Plans**

- Lower your monthly payment and eliminate a past due account balance with programs like [New Start](#) and [Matching Payment Program](#).
- Take advantage of [extended payment plans](#), or tame seasonal spikes in your energy bills by paying a fixed amount each month with [Budget Billing](#).

## **Energy Efficiency Plans**

- Eversource can help you find ways to make your home more comfortable, while [lowering your energy usage and bill](#). No-cost solutions are available for qualifying customers.

Please help us raise awareness by sharing this important information with friends, neighbors, and family. Let's help keep every home in Canton warm this winter.
