People trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help. Each year thousands of Americans, like you, are saying "Yes" to saving the life of a friend, colleague, sibling, or neighbor. QPR is a simple educational program that teaches ordinary citizens how to recognize a mental health emergency and how to get a person at risk the help they need. It is also an action plan that can result in lives saved. As a QPR-trained Gatekeeper you will learn to: recognize the warning signs of suicide, know how to offer hope & know how to get help and save a life.
