**ONLINE ACCESS TO THE 2016 CONNECTICUT STATE  
BUILDING CODE**

To review the current building code (adopted October 1, 2016) online:

1. To access the **Residential Code**: <https://codes.iccsafe.org/public/document/toc/362/>
2. To access the **Commercial Building Code**: <https://codes.iccsafe.org/public/document/toc/353/>
3. You will also need to view the **Connecticut Amendments to the Codes**:  
[http://www.ct.gov/dcs/lib/dcs/2016\\_ct\\_state\\_building\\_code.pdf](http://www.ct.gov/dcs/lib/dcs/2016_ct_state_building_code.pdf)

Note: It's easier to review the Code and the Amendment to that Code if you have them both open but in two separate windows.

If you have any questions please contact the building department,
