

AARP Foundation Tax-Aide Sites Service Suspended Until Further Notice

As coronavirus (COVID-19) developments change hour by hour, AARP Foundation is doing its part to flatten the curve of transmission. A top priority for us is ensuring we are protecting those most at risk, including our volunteers and taxpayers. Therefore, we are suspending AARP Foundation Tax-Aide services beginning March 16 until further notice.

We will continue to assess whether we can open again in some or all sites for the remainder of the tax season and if the tax season is extended. Check the web page **aarpfoundation.org/taxhelp** periodically or call 1-888-227-7669 for updates about the status of Tax-Aide sites.

As of 3/16/2020, it is unknown whether the IRS will extend the tax return filing or tax payment date.

We are not able to refer taxpayers to specific alternative tax preparers. There are various commercial tax preparers. Professional preparers with the certification of CPA or Enrolled Agent must meet annual education requirements and certifications. You can find these persons in your area by looking on the internet.

We apologize for this inconvenience and hope to work with you in the future.
