

## **SECTION 6 MISCELLANEOUS**

---

### **6.1 Severability**

The invalidity of any article, clause, sentence, or provision of these Regulations shall not affect the validity of any other part of these Regulations that can be given effect without such invalid part or parts.

### **6.2 Conflict**

Where these Regulations shall conflict in whole or in part with the provisions of any other regulations in effect, these Regulations shall be controlling; except, to the extent that such conflicting Regulations imposes additional requirements, restrictions or regulations, such additional requirements, restrictions or regulations shall control.
