8. **Liability.** The Contractor agrees to assume full responsibility and liability for damage or injury to persons or real or tangible personal property caused directly or indirectly by the negligent or tortuous actions or inactions of the Contractor, its agents, employees or subcontractors with respect to the Work. The Contractor further agrees to assume full responsibility and liability for, and indemnify and defend the Town and its officers, agents, volunteers and employees against, the Contractor's failure to comply with any applicable federal, state or local law or regulation in the performance of Contractor's duties pursuant to the Contract Documents. 9. **Hold Harmless.** The Contractor agrees to indemnify, defend and save harmless the Town and its officers, agents, volunteers and employees, from and against all loss or expense, (including costs and attorneys' fees), arising out of or resulting from the performance of the Work by the Contractor by reason or liability imposed upon the Town and its officers, agents, volunteers and employees, for damages because of bodily injury, including death at any time resulting there from, sustained by any person or persons, (including employees of the Contractor), or on account of damage to property, including loss of use thereof, if such injuries or damages are caused by the negligence or breach of the Contract, the Contractor, its agents and employees or any other person or entity for whom the Contractor may be directly or indirectly liable or otherwise. 10. **Subcontractors.** The Contractor shall not subcontract any portion of the Work without the express written consent of the Town, which consent shall not be unreasonably withheld. In all events, the Contractor shall remain responsible to the Town for the performance of the Work and shall be responsible for the acts and omissions of its subcontractors, if any, or any other person or entity whom the Contractor is directly or indirectly liable.

(iii) The Contractor Bid Form and all attachments thereto
(iv) Any modifications issued after the execution of this Agreement; and
12. **No Assignment.** The Contractor shall not subcontract, transfer or assign its obligations under the Contract Documents or any portion thereof without the prior written consent of the Town, which consent shall not be unreasonably withheld.

13. **Termination.** If the Contractor fails to perform this Agreement in accordance with its terms, the Town shall have the right, in addition to all other remedies it may have, to declare the Agreement in default and, therefore, terminated. Provided, however, that the Town shall provide the Contractor with a written notice of default and opportunity to cure the default. In the event the Contractor fails to commence and diligently maintain a cure of the default within five (5) calendar days or such shorter period if required by any applicable federal, state and local laws and regulations and applicable permits governing the Work or authorities with jurisdiction after such notice, the Town may terminate this Agreement without further notice. In all events, if any applicable federal, state and local laws and regulations and applicable permits governing the Work or authorities with jurisdiction require the default to be cured by a date certain and the Contractor fails to do so, the Owner may terminate this Agreement without further notice to the Contractor. In either event, the Contractor shall pay the Town, as liquidated damages, the amount of any excess of the new Agreement Price over the Agreement Price herein provided for, both pro-rated to the period of time covered by the unexpired term of the Agreement at the time of default, plus any legal or other costs incurred by the Town in terminating the Agreement and securing a new contractor.

14. **Contractor Personnel Must Be Authorized to Work.** The Contractor confirms that it has complied with the obligations under the Immigration Reform and Control Act (IRCA) and that the employees, independent contractors and other personnel it provides under this Agreement are authorized for employment in the United States. The Contractor further confirms that it has properly completed I-9s for all employees assigned to the Town's place of business. The Contractor agrees to hold harmless and indemnify the Town in the event that any of the employees or other personnel provided by the Contractor are found not to be authorized to work under the law or in the event that there is a determination that the obligations set forth under IRCA, including, but not limited to, the failure to correctly prepare and maintain I-9s, have not been complied with by the Contractor. The Contractor agrees to indemnify, defend and hold the Town harmless against any claims brought against the Contractor or the Town as a result of these obligations, including but not limited to, settlement fees, judgments and attorneys' fees and costs.

15. **Change Orders, Price Modifications, and Other Amendments.** The Town shall have the right to require the Contractor to make alterations of, additions to and deductions from the Work. All such changes to the Scope of Services shall be made by a written change order written by the Town. The Contractor shall compute the effect of the change order upon the Agreement price, subject to review and acceptance by the Town. Any other changes or amendments to the terms of this Agreement and the other Contract Documents may be made only by a written document referencing this Agreement and executed by both parties.

16. **Connecticut Law and Courts.** This Agreement shall be governed by and construed in accordance with the internal laws (as opposed to the conflicts of law provisions) of the State of Connecticut and the parties irrevocably submit in any suit, action or proceeding arising out of the Agreement to the jurisdiction of any Connecticut state or federal court.

17. **Compliance with Laws.** The Contractor shall perform the Work in compliance with any and all applicable local, state and federal laws or regulations. The Contractor agrees to indemnify, defend and save harmless the Town and its officers, agents, volunteers and employees, from and against all loss or expense, (including costs and attorneys' fees), arising out of or resulting from the Contractor's failure to perform the Work in accordance with all applicable laws and regulations. The defense and indemnity obligations provided herein shall survive the termination and/or cancellation and/or full performance of this Agreement.
18. **Execution.** This Agreement may be executed in one or more counterparts, each of which shall be considered an original instrument, but all of which shall be considered one and the same agreement, and shall become binding when one or more counterparts have been signed by each of the parties hereto and delivered (including delivery by facsimile) to each of the parties.

19. **The Town’s Agreement with the Connecticut Resources Recovery Authority or Other Entity.** The Contractor shall comply with all terms and conditions set forth in the agreement between the Town and the Connecticut Resources Recovery Authority ("CRRA") dated September 16, 1982, attached hereto as Exhibit A, and subsequent agreements between the Town and CRRA or other entity, provided the terms of such agreement are not materially different from the current agreement, but only to the extent applicable to the Work provided in this Agreement.

IN WITNESS WHEREOF, the Parties have executed this Agreement as of the day and year first written above.

- Deductible and self-insured retentions shall be declared and are subject to the approval of the Town.

C. Commercial Automobile Insurance:

Provide commercial automobile insurance for any owned autos (symbol 1 or equivalent) in the amount of $1,000,000 each accident covering bodily injury and property damage on a combined single limit basis. Such coverage shall also include hired and non-owned automobile coverage.

D. Umbrella Liability Insurance:

Provide an umbrella liability policy in excess (without restriction or limitation) of those limits described in items (A) through (C). Such policy shall contain limits of liability in the amount of $1,000,000 each occurrence and $1,000,000 in the aggregate.

E. The Contractor shall ensure that all of its Subcontractors procure and maintain the same insurance as required of the Contractor under this Agreement and that each Subcontractor shall name the Owner as an additional insured. Such coverage
provided by the Subcontractor shall be provided on an occurrence basis and shall be primary. Any insurance or self insured retention available to the Owner shall be secondary and noncontributory.

As to the insurance required, the insurer(s) and/or their authorized agents shall provide the Town with certificates of insurance, policies or policy endorsements as requested by the Town prior to issuance of Contract by the Town, describing the coverage and providing that the insurer shall give the Town written notice at least sixty (60) days in advance of any termination, expiration or changes in coverage. Failure of the Contractor to maintain insurance coverage in accordance with the terms of this Agreement shall constitute a material breach of the Contract. The Town reserves the right to approve all insurance companies. The successful bidder must fully disclose any nonstandard exclusion for all required coverages.

All policies, except for Workers’ Compensation, shall contain additional endorsements naming “the Town of Canton, its officers, employees, agents and volunteers” as additional named insureds with respect to liabilities and losses related to the performance of the work described in this Invitation.

Each insurance policy shall state that the insurance carrier shall agree to investigate and defend the insured against all claims, even if groundless.

The successful bidder shall require the insurance carriers of the above required coverages to waive all rights of subrogation against the Town, its officers, employees, agents and volunteers.

All insurance policies required above shall be primary and non-contributory with any insurance or self-insurance programs carried or administered by the Town.

If the bidder is underwritten on a claims-made basis, the retroactive date shall be prior to or coincident with the date of the Contract, and the certificate of insurance shall state that the coverage is claims-made and also the retroactive date, if any. **The successful bidder shall maintain coverage for the duration of the Contract and for two years following the completion of the Contract.**

The successful bidder shall direct its insurance carrier to provide the Town with a certificate of insurance PRIOR TO commencing work. The certificate shall specifically state that the Town shall receive thirty (30) days advance written notice of cancellation or non-renewal, via registered U.S. mail, addressed to Robert Skinner, Chief Administrative Officer, 4 Market Street, PO Box 168, Canton, CT 06022. The certificate shall evidence all required coverage. **All requirements of this section shall be clearly stated in the remarks section of the successful bidder’s certificate of insurance.**

19. **DEFENSE AND INDEMNIFICATION**

The successful bidder will be required to agree, to the fullest extent permitted by law, to indemnify, defend, and hold harmless the Town and its employees, officials,
agents and volunteers from and against all claims, damages, losses or expenses, including attorney’s fees, arising out of or relating, directly or indirectly, to the subject matter of this Invitation and/or the performance of the work contemplated by it. The successful bidder will also be required to pay any and all attorney’s fees incurred by the Town, its employees, officials, agents or volunteers in enforcing any of the successful bidder’s defense, hold harmless or indemnification obligations. In any and all claims against the Town or any of its employees, officials, agents or volunteers made or brought by any employee of the successful bidder, or anyone directly or indirectly employed by the successful bidder, or anyone for whose acts or omissions the successful bidder is or may be liable, the successful bidder’s defense and indemnification obligations shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by the successful bidder under workers’ compensation acts, disability benefit acts, or other employee benefits acts.

These defense, indemnity and hold harmless obligations shall survive the Contract’s termination or expiration.

20. AWARD CRITERIA; SELECTION; CONTRACT EXECUTION

The Town reserves the right to accept the bid that, all things considered, is in the best interests of the Town. Although price will be an important factor, it will not be the only basis for award. Due consideration will also be given to a bidder’s experience, references, service, ability to respond promptly to requests, past performance satisfactory to the Town, and other criteria relevant to the interests of the Town, including the bid documents’ compliance with the procedural requirements stated in this Invitation.

The Town will not award the bid to any bidder who is in arrears or in default to the Town on any debt, contract, security or any other obligation.

The Town reserves the rights, in its sole discretion: to accept any, all, or any part of bids; to reject any, all, or any part of bids; to waive any non-material deficiencies or clerical errors in the bidding process or bid; and to award the bid that in its judgment will be in the Town’s best interests. The Town also reserves the right to award the purchase of individual items under this Invitation to any combination of separate bids or bidders.

All bids will be publicly opened as received on the date, at the time, and at the place identified in this Invitation. Bidders may be present at the opening.

The Town may correct, after bidder verification, any mistake in a bid that is obviously a clerical error, such as a price extension or decimal point error. If an error exists in an extension of prices, the unit price shall prevail. In the event of a discrepancy between the price quoted in words and in figures, the words shall control.
The Town will select the bid that it deems to be in the Town's best interest and issue a Notice of Conditional Award of Bid to the successful bidder. The conditional award shall be subject to further discussions with the bidder that are deemed necessary by the Town and to the successful bidder's provision of the documents required by this Invitation and the execution of a Contract in the form contained in this Invitation. The successful bidder's failure to provide each required form or execute the Contract within ten (10) business days of the date of the Notice of Conditional Award of Bid shall be grounds for the Town to declare the bid withdrawn, to call the bid security, and to enter into discussions with another bidder.

The Town will post the bid results and award recommendation on the Town's website, www.townofcantonct.org, under "Request for Proposals."

The Bid Awarded and Contract Execution dates in Section 2's Key Dates are anticipated, not certain, dates.

21. COLLUSION

Each bidder shall complete the Non Collusion Affidavit that is a part of this Invitation.

Any act(s) of misrepresentation or collusion in connection with a bid shall be a basis to disqualify a bid submitted by the bidder responsible for said misrepresentation or collusion. In the event that such conduct is discovered after the execution of the Contract, the Town may terminate the Contract without incurring any liability, penalty, damages or other loss.

22. ADVERTISING

The successful bidder may not name the Town in its advertising, news releases, and promotional efforts without the Town's prior written approval.

If it chooses, the successful bidder may list the Town in a statement of references or similar document required as part of a public bid. The Town's permission to the successful bidder to do so is not a statement about the quality of the successful bidder's work or the Town's endorsement of the successful bidder or its work.

23. W-9 FORM

The successful bidder must provide the Town with a completed W-9 form before commencing work.

24. PAYMENTS

Payments will be made by all parties within thirty (30) calendar days after the appropriate Town officer receives and approves the invoice, unless otherwise specified in the Technical Specifications.
25. **MAINTENANCE AND AVAILABILITY OF RECORDS**

The successful bidder shall maintain all records related to the work described in the Invitation for a period of three (3) years after final payment under the Contract or until all pending Town, state and federal audits are completed, whichever is later. Such records shall be available for examination and audit by Town, state and federal representatives during that time.

26. **REPRESENTATION OF TOWN**

In performing the work described in the Invitation, the successful bidder, its agents and employees shall act in an independent capacity and shall not act as, and are not, officers, employees or agents of the Town.

27. **SUBCONTRACTING**

The successful bidder agrees not to enter into any subcontracting agreement for any or all of the work described in the Invitation without obtaining the Town’s prior written consent. All subcontracting shall be subject to the same terms and conditions as are applicable to the successful bidder. The successful bidder shall be fully and solely responsible for the performance of and payments to any subcontractors.

28. **COMPLIANCE WITH LAW**

The successful bidder shall comply with all applicable laws, regulations, ordinances, codes and orders of the United States, the State of Connecticut and the Town related to its bid and the performance of the work described in the Invitation. The successful bidder shall commit no trespass on private property in performing any of the work described in the Invitation.

By submitting a bid, the successful bidder covenants that it has complied, and during the term of the Contract will comply, with the obligations under the Immigration Reform and Control Act ("IRCA") and that all employees it assigns to the Contract are authorized for employment in the United States of America. The successful bidder further covenants that it has properly completed, and during the term of the Contract will properly complete, I-9s for all employees assigned to the Contract. The successful bidder agrees to defend, indemnify and hold the Town harmless in the event that any of the successful bidder’s employees provided under the Contract is found not to be authorized to work under the law or in the event that there is a determination that the successful bidder has failed to comply with IRCA’s obligations, including but not limited to the failure to prepare correctly and maintain I-9s. The successful bidder further agrees to defend, indemnify and hold harmless the Town from and against any and all claims brought against the Town as a result of these obligations, including but not limited to settlement fees, judgments, attorneys fees and costs. These defense, hold harmless and indemnity obligations shall survive the Contract's termination or expiration.
29. **LICENSES AND PERMITS**

The successful bidder shall, for the term of the Contract, have and provide proof of all permits and licenses required by the Town and/or any other state or federal authority. The successful bidder shall immediately and in writing notify the Town of the loss or suspension of any such license or permit.

30. **NON-DISCRIMINATION AND EQUAL EMPLOYMENT OPPORTUNITY**

During the term of the Contract, the successful bidder agrees to be an equal employment opportunity employer and will not discriminate as to race, color, creed, sex, national origin, marital status, physical or mental disability or any other protected classification under state and federal law.

The containers shall be designed for heavy duty use. Containers shall be kept clean, properly maintained, properly marked as to owner/operator, and well painted.

The bidder shall provide, at its sole cost and expense, a site for storage of reserve containers and other equipment when they are not at the Transfer Station. The site, if it is within the Town, shall conform with all applicable laws, regulations, ordinances, codes and orders of the United States, the State of Connecticut, and the Town.

The bidder shall demonstrate that it has a sufficient number of reserve containers such that, when a container is removed from the Transfer Station, an empty container of the same size and type shall be dropped off as a replacement.

The bidder shall provide an additional empty container, as may be required on an on call basis during the operating hours of the Transfer Station. Such containers shall be provided within twenty four (24) hours of the request by Transfer Station operating staff.

The containers shall be marked with the owner/operator’s name and the receiving facility’s box number if required.

3. SCRAP METAL MATERIAL

The Town presently operates a Transfer/Recycling Station located at Ramp Road, Canton, CT. The Town will load and the Bidder will provide containers and hauling service for disposal of materials to the Bidder’s site.

Materials, which may include white goods (appliances), automobile parts, aluminum, copper, iron, steel, etc., are included in this Bid.
An average of 125 tons of scrap metal is generated per year at the Transfer Station. The following information, based upon past experience is provided to assist the bidder in determining equipment needs for the Contract. While every effort has been made to ensure that the information is accurate and complete, no warranty is made.

The contract period will normally be one year. Optional extension for additional two (2) years will be evaluated. Bidders shall indicate the option on the Bid Form.

The Bidder shall provide, with this Bid, a list and definition of contaminant materials, if any, which will be unacceptable to accept as scrap metal. Failure to submit list of contaminants of unacceptable materials with this Bid will mean no exceptions are made.

4. **OPERATIONS ON-SITE**

The Bidder shall provide slips indicating, time, truck number, gross, tare, and net weights and net price due or charged to the Town. *Since loads will be hauled and weighted by the Bidder, slip numbers must be indicated on the check stub or the monthly summary along with the tonnage.*

Working hours at the Transfer Station are currently Tuesday through Saturday from 7:00 AM to 3:30 PM. The Town reserves the right to alter the working days and hours of the Transfer Station upon 48 hours prior notice to the bidder. Work at other hours or on Sunday, Monday or legal holidays is prohibited except as follows:

a. Emergency operation to protect life and property, with or without the permission of the Town’s Director of Public Works;

b. With the prior written permission of the Town’s Director of Public Works.

The bidder shall arrange its working hours in such a manner that there is a minimum disturbance of the Transfer Station operation.

Transfer Station staff may, to the extent possible without disrupting operations, assist the successful bidder’s personnel in closing off areas to public access during transfer operations, assist in the spotting of containers, and like duties as may be approved by the Town’s Director of Public Works.

Bidder acknowledges that the materials currently collected and methods used at the Transfer Station may change over the term of the Contract to reflect changing needs of the community and the requirements of federal and state laws.

5. **TRANSPORTATION OPERATIONS**

The bidder shall provide for the removal and replacement of containers such that, when the Transfer Station is open to the public, there shall be an adequate supply of empty containers to operate the Transfer Station.
The scheduling of the pickup and transportation of the containers shall be coordinated with the days and hours of operation of the various facilities that will receive the materials collected at the Transfer Station. It should be noted that the various facilities have different days and hours of operation.

The Transfer Station is currently open:

Sunday & Monday   Closed
Tuesday - Saturday 7:00 AM to 3:30 PM

The Town reserves the right to alter the working days and hours of the Transfer Station upon giving the bidder 48 hours prior notice. The bidder shall alter its operations to accommodate the new days and hours of operation.

The bidder shall not allow full containers to remain on-site longer than 48 hours without the Town’s written authorization.

6. **TRUCKS**

The bidder shall have available a sufficient number of trucks of the type and capacity specifically designed to load, unload, and transport loaded containers from the Transfer Station to the disposal sites.

The containers shall be loaded and secured to the truck such that collected material shall not leak, fall, spill, or blow off during transportation.

Trucks shall be properly marked in accordance with Connecticut Department of Motor Vehicles ("CT DMV") and United States Department of Transportation requirements as to weights, owner/operator, etc. Required operating and safety equipment shall be mounted and fully operational when the truck is in operation. Trucks shall be kept clean, neatly painted, properly maintained and in repair, and display all required permits, licenses, and other identifying stickers, etc. as may be required to operate on public roads in the State of Connecticut.

The Town reserves the right to prohibit any truck that is, in the Town’s sole opinion, unsafe from doing any work under the Contract. No truck, so judged by the Town, shall be utilized in fulfilling Contract obligations until repaired, inspected, and certified safe to operate by a mechanic licensed by the CT DMV.

7. **BIDDER'S OPERATING PERSONNEL**

The bidder shall employ such number of persons as may be required to fulfill its obligations under the Contract. Such persons shall possess a valid Connecticut Commercial Driver’s License issued by the CT DMV for the class and type of truck to be operated.

To Whom It May Concern:

We have been informed by All Waste that they are bidding on waste services for the Town of Canton. All Waste Inc. has revenues in excess of $50,000,000 and total assets exceeding $60,000,000. Webster Bank has been All Waste’s bank since 1996 and have had an excellent relationship with both the company and the principals since that time. Webster Bank provides lending facilities to the company in the medium eight figure range and the company maintains deposits and investments in the mid seven figure range. In 2003, Webster Bank selected All Waste to be its sole provider of waste services. They have performed services above the standards that were established in the contract. We are very confident that the company can fully support its bid for services with the Town of Canton.

Webster Bank has the highest regard for the principals of the company and recommends them to you.

LABOR AND MATERIAL PAYMENT BOND

Bond Number 854050

KNOW ALL MEN BY THESE PRESENTS:

That we, All Waste, Inc., as PRINCIPAL, and Evergreen National Indemnity Company, as SURETY, are held and firmly bound unto the Town of Canton, Connecticut, as OBLIGEE, in the amount of Fifty Four Thousand and NO/100 Dollars ($54,000.00), lawful money of the United States of America, for the payment of which sum well and truly to be made, the said PRINCIPAL and the said SURETY bind ourselves, our heirs, executors, administrators, successors and assigns, jointly and severally, firmly by these presents.

WHEREAS, the PRINCIPAL has entered into a contract with the OBLIGEE for Refuse & Recycling Hauling dated JULY 1, 2011, which contract is by reference made a part hereof and referred to in this bond as the CONTRACT.

NOW, THEREFORE, the condition of this obligation is such that if the PRINCIPAL shall make payment to all claimants as hereinafter defined for all labor, materials and equipment used or reasonably required for use in the performance of the CONTRACT, and if the PRINCIPAL shall defend, indemnify and save harmless the OBLIGEE from any expenditure or loss, including attorneys fees, arising from claims asserted by said claimants against the OBLIGEE, or against the real estate involved in the CONTRACT, then this obligation shall be null and void, otherwise it shall remain in full force and effect. Labor, materials and equipment, without limitation, shall include that part of water, gas, power, light, heat, oil, gasoline, telephone service or rental equipment used in the CONTRACT and all other items for which a mechanic's lien may be asserted in the State of Connecticut.

In addition to the obligations of the PRINCIPAL and SURETY to the OBLIGEE hereunder, this bond is also made for the use and benefit of all claimants as hereinafter defined. The PRINCIPAL and SURETY jointly and severally agree that every claimant who has not been paid in full for all labor, materials and equipment furnished by said claimant may sue on this bond, prosecute the suit to final judgment and have execution thereon.

A "claimant" is defined as: (a) one having a direct contract with the PRINCIPAL or with a subcontractor or supplier of the PRINCIPAL for labor, materials or equipment used or reasonably required for use in the performance of the PRINCIPAL's obligations under the CONTRACT, and (b) all persons having any lien rights against the real estate involved in the CONTRACT under any applicable mechanics lien law.

The SURETY, for value received, for itself and its successors and assigns, hereby agrees that the obligations of the SURETY under this bond shall be in no way affected or impaired by any extension of time, modification, omission, addition, alteration or change in or to the CONTRACT or the work to be performed thereunder, or by any payment thereunder before the time required therein, or by any waiver of any provisions thereof, or by any assignment of the
CONTRACT, or by the OBLIGEE's takeover of any part of the work covered by the CONTRACT; and the SURETY does hereby waive notice of any and all such extensions, modifications, omissions, additions, alterations, changes, payments, waivers, assignments, or takeovers.

No right of action shall accrue on this bond to or for the use of any person, natural or legal, other than the OBLIGEE named herein or the executors, administrators, successors or assignees of the OBLIGEE.

IN WITNESS WHEREOF, we have set our hands and seals to this bond this 27th day of June_______, 2011.
