TOWN OF CANTON BOARD OF SELECTMEN

Regular Meeting Agenda Wednesday, October 22, 2014 at 7:00 pm Community Center, 40 Dyer Avenue, Conference Room F Immediately Following Town Meeting

Consideration of and possible action on the following items

I. PLEDGE OF ALLEGIANCE

II. PUBLIC PARTICIPATION (5 minute time limit per speaker on any item)

The Board of Selectmen welcomes and encourages the public to speak during the Public Participation portion of the agenda. The purpose of public participation is to communicate to the Board of Selectmen any concerns or comments that members of the public may have. The public may speak on any topic, including items mentioned on the Agenda. There is a time limit of 5 minutes per speaker. The time limit cannot be yielded to another individual. In most circumstances this will be the public's only opportunity to comment. The Board of Selectmen will discuss the agenda items below with invited public officials and/or guests. It is important that the Selectmen allow this time for its exclusive use so that the agenda items can be properly presented and debated among members of the Board.

Most of the documents reviewed by the Board of Selectmen at tonight's meeting can be located at http://www.townofcantonct.org/content/6662/default.aspx or by scanning the QR code below.

III. APPOINTMENTS / RESIGNATIONS

IV. ADOPTION OF CONSENT AGENDA

A. Refund of Taxes pursuant to Connecticut General Statutes 12-129

V. CONSIDERATION OF OLD BUSINESS

A. Set date and time for Town Meeting to vote on whether to approve an Electric Vehicle Charging Station grant from the Department of Energy and Environmental Protection in the amount of \$10,000 for the purpose of installing an electrical charging station in Collinsville.

VI. CONSIDERATION OF NEW BUSINESS

- A. Review status of Hydro Power facility on the Farmington River
- B. Authorize pre-application submittal for a \$10,000 Connecticut Main Street Center's Preservation of Place grant for the purpose of providing technical assistance in making improvements to Collinsville.
- C. Review and approve job description for the Adult Services Librarian position.

VII. MINUTES OF PREVIOUS MEETINGS

A. Approval of Board of Selectmen Minutes: 10-08-2014 Regular Meeting

VIII. COMMUNICATIONS FROM THE CAO, TOWN AGENCIES, OFFICIALS AND/OR OTHER GOVERNMENTAL AGENCIES AND OFFICIALS

- A. First Selectman's Report
- B. CAO Report
- C. Correspondence
 - a. PDS Engineering & Construction
 - b. Lou Daniels Final Reply
- D. Monthly Report- September 2014
- E. Absentee Record- September 2014

IX. REMARKS BY SELECTMEN

X. ADJOURMENT

GRANT PRE-APPLICATION INFORMATION

PURPOSE AND SUMMARY OF GRANT

Connecticut Main Street Center's **Preservation of Place** Grant Program is a technical assistance granting program, administered by Connecticut Main Street Center (CMSC) and funded through the Connecticut State Historic Preservation Office (SHPO). Funding for this program is made available through the Community Investment Act.

The purpose of this program is to provide Connecticut communities with targeted resources to increase their capacity to <u>plan for preservation and revitalization</u> of their historic downtowns and neighborhood commercial districts.

Comprehensive preservation and revitalization of a commercial district is a complex, long-term process. However, funding sources for these types of activities are limited. The *Preservation of Place* Grant Program provides a source of funding for new initiatives that can be integrated into, and leverage more, comprehensive preservation and revitalization programs.

CMSC encourages applications from its member network that propose the fundamental actions of assessing, surveying and planning - the first and often most challenging step in preservation and revitalization – and awards grant funds to initiate these activities.

ELIGIBILITY

In order to apply, organizations must be members-in-good-standing of Connecticut Main Street Center, incorporated in Connecticut, and must have completed any activities and final reports from prior POP grants. Grantees will be limited to: 501 (c) 3 nonprofit revitalization organizations; the municipality; or, in the case of a CMSC member who does not have 501 (c) 3 status, a fiscal agent with that status.

Examples of projects eligible for grant consideration

All grants are programmatic technical assistance or preservation & revitalization planning grants. No awards will be granted for organizational operating support or for capital improvements. This grant program assists CMSC member communities by supporting their efforts to plan for preservation and revitalization initiatives located in their historic downtowns and neighborhood commercial districts. The following list is a sample of projects which would merit consideration; however, it does not attempt to identify every type of project which may be acceptable:

- Projects or plans that strengthen the organizational structure and direction of an organization whose mission is directed to historic preservation and community revitalization - including board development, strategic planning, revenue development, financial management, staffing
- Feasibility Study, Restoration Planning or Adaptive Reuse Study for Historic Municipal Buildings, Historic Mixed-use, Residential or Commercial Buildings
- Development of downtown Master Plan or infill conceptual plan
- Design Audit of Downtown or Neighborhood Commercial District (assessing the strengths and weaknesses of the district using tools of urban analysis; ex: the walkability of the district)
- Development of Design Guidelines for the Main Street district

- Façade Improvement Planning (studies, renderings)
- Market assessment of the Main Street district; Branding & Image development planning
- Planning and Promotion of Heritage Tourism activities and events, including programs, lectures, walking tours, exhibits, brochures, websites.
- Development of an Art in Public Places program: outreach, planning and promotion
- Development a district wayfinding and signage program: includes planning, architectural drawings and signage specifications
- Resource Surveys of Historic Commercial District
- National and/or State Registers of Historic Places Nomination
- Application for Certified Local Government (CLG) Status or Preserve America Status

Examples of ineligible use of grant funds

This program will not allocate or grant funds to support any of the following:

- General operating expenses
- Construction-related costs (including stabilization, rehabilitation or restoration)
- Acquisition of real property
- Office equipment (for the purpose of general organizational operations)
- Hospitality expenses
- Fundraising activities and related expenses
- Travel and/or meals
- Scholarships
- Lobbying
- Political contributions
- Interest payments, fines or debts
- Re-granting purposes
- Projects that do not involve historic buildings or resources

PROJECT CRITERIA

The following criteria will be used in the evaluation of the organization's capacity to successfully implement the proposed project as part of the grant review process:

- Broad-based community support for the proposed project
- A clearly articulated and realistic work plan with measurable objectives
- A strong historic preservation ethic and commitment to urban design and pedestrian orientation for the district in which the project will take place
- An adequate project budget (while no match is required, preference is given to those applicants demonstrating that the grant is leveraging other resources and funds)
- Goals and outcomes of the project that will be integrated into, and positively impact, a more comprehensive program of work for the district

GRANT AWARDS

Grant awards are generally between \$2,000 and \$10,000. There is no required match. All projects must be located within the historic downtown or neighborhood commercial district. **Projects for which these grants are made shall be completed, and final reports submitted, no later than September 30, 2015.**

HOW TO APPLY

Pre-Applications

Complete this Pre-Application form and submit via email by **October 28, 2014.** <u>Pre-Applications are a requirement to initiate the application process.</u> Connecticut Main Street Center staff will review the Pre-Application and applicants will be notified shortly thereafter whether they have been selected to submit a full grant application. Pre-Application forms must be emailed to:

info@ctmainstreet.org

All grant applicants MUST work in partnership with CMSC staff in preparing the Grant Proposal Application. Upon notification of grant approval a Letter of Agreement will be required.

GRANT PROPOSAL APPLICATION DEADLINE

Should your organization's Pre-Application be approved, the Grant Proposal Application must be received by Connecticut Main Street Center by 3:00 pm on **November 18, 2014.** Grant applications will be submitted online only, and instructions will be provided.

Following the receipt of Grant Applications, the Preservation of Place Grant Committee will review the applications and select those projects that will be funded.

For assistance and further information please contact CMSC at 860-280-2337 or email info@ctmainstreet.org

Connecticut Main Street Center and the **Preservation of Place** grant program receive support from The State Historic Preservation Office, with funds from the State of Connecticut through the Community Investment Act.

CANTON PUBLIC LIBRARY —

www.cantonpubliclibrary.org

MEMORANDUM

DATE:

October 7, 2014

TO:

Robert Skinner, Chief Administrative Officer

FROM:

Robert Simon, Library Director

SUBJECT:

New Job Description and Job Title

You have the new job description for our "Adult Services Librarian" position. Thank you for the opportunity to provide some extra information.

This is not a new position. Rather, it is a long-needed formal job description and a new title for a position already on staff for many years: that of Reference Librarian.

Elizabeth Van Ness, whose current job title is "Reference Librarian," has worked full-time for the library since 1986. In all those years, she has never had a written job description. The only statement defining her work was a 2003 list of job goals she wrote in cooperation with the then Library Director. Therefore, I wrote the job description draft you now have, which reflects Ms. Van Ness's actual duties and has been endorsed by the Library Board of Trustees.

We are requesting that Ms. Van Ness's title be changed from the narrower "Reference Librarian" to the broader, more appropriate "Adult Services Librarian." Adult Services Librarians do provide "reference," defined as helping borrowers find information and resources. However, reference forms only one facet of Ms. Van Ness's job. She also:

- Plans and presents adult programs
- Oversees the request and receipt of interlibrary loans
- Helps to select materials for the adult collection
- Supervises the home-delivery service for shut-ins
- Monitors the work of two Library Aides assigned to the Reference Desk
- Performs other tasks, like proctoring tests for local students and producing narrative and statistical reports for the Library Director

"Reference librarians" tend to do just the "reference" part of the job, whereas Ms. Van Ness's duties include reference plus a number of other important services for adult patrons, as noted above. That being the case, most libraries would call her position "Adult Services Librarian" to reflect that involvement in a wider array of public services for adults.

There is no plan to seek a salary adjustment at this time.

TOWN OF CANTON DRAFT

TITLE: Adult Services Librarian CLASS: Exempt

DEPARTMENT: Canton Public Library **DATE:**

POSITION DECRIPTION:

The Adult Services Librarian develops, coordinates, and administers the library's services to adult patrons, defined as patrons ages 18 and older. The position is responsible for reference, reader's advisory guidance, interlibrary loan, collection development, program planning and presentation, publicity, and other activities that encourage the use of the library and its resources by adults.

SUPERVISION RECEIVED

The Adult Services Librarian works under the general guidance and supervision of the Library Director.

ESSENTIAL JOB FUNCTIONS:

- Provides reference assistance to adults using print materials and electronic resources;
 assists with reference services to teens and children, as needed
- Offers reader's advisory guidance to adults; assists with reader's advisory guidance to teens and children, as needed
- Offers interlibrary loan services and processes interlibrary loan requests
- Works with the Head of Children's Services, the Teen Services Librarian, and the school librarians to provide materials for student research assignments
- Instructs patrons in the use of the library's catalog, databases, and other resources
- Assists and instructs patrons in the use of the library services, equipment, and facilities
- Works with the Head of Children's Services and the Teen Services Librarian to conduct library orientation visits for students, parents, teachers, and other groups
- Plans, presents, supervises, and evaluates library programs of interest to adults; interacts with outside entities to plan and present special events of interest to adults
- Working independently or in cooperation with other staff, selects materials for acquisition to and withdrawal from the adult reference and circulating collections; develops the adult collections through regular evaluation
- Oversees the library's program for home delivery of library materials to shut-ins
- Creates booklists, displays, brochures, questionnaires, fliers, and publicity releases directed toward adults
- Maintains statistics of adult services and programs
- Prepares narrative and statistical reports for the Library Director
- Participates in activities of professional organizations and the Connecticut State Library to remain aware of developments in the library profession and in public library adult services

- Communicates and cooperates with other town agencies and organizations in areas that affect library programs and collection development
- Delegates work to and supervises the work of other staff and volunteers assigned to the Adult Department
- Performs additional tasks and duties as necessary and/or as requested by the Library Director

REQUIRED KNOWLEDGE, SKILLS, AND ABILITIES

- Administrative ability to initiate, organize, and follow through on library services, programs, and special projects
- Ability to supervise
- Commitment to excellence in customer service
- Thorough knowledge of adult literature and reference resources
- Ability to deal amicably and effectively with adult patrons, coworkers, professional colleagues, and the general public
- Knowledge of automated library systems
- Solid computer skills, including Microsoft Office programs and social media management
- Ability to perform under pressure with tact, patience, flexibility, and good humor
- Ability to communicate effectively, both orally and in writing

REQUIRED PHYSICAL AND MENTAL EFFORT AND ENVIRONMENTAL CONDITIONS

The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of the position. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions. The employee may be exposed to airborne particles. The employee will be required to provide his/her own transportation.

Ability to sit or stand for extended periods of time

Ability to move, bend, stoop, and lift and carry books and files of approximately 35 pounds or less

Ability to maneuver a fully loaded book cart

Works in library setting subject to continuous interruptions and background noises Work may include extended periods of time viewing a computer video monitor and/or operating a keyboard

Intermittent exposure to video display terminals

Ability to work under stress with demanding deadlines, public contact, and changing priorities and conditions

Ability to read printed material and a computer screen

Communicate effectively with individuals in person and over the telephone

Ability to file books, periodicals, reports, etc. on shelves ranging from one to seven inches from the floor

Ability to move throughout the Town, Library, Town Hall, and other town buildings and sites

Requires flexible working hours

Some travel required to attend meetings in Canton and outside of Canton

REQUIRED MINIMUM QUALIFICATIONS

The requisite knowledge and skills generally would be acquired with a Master's Degree in Library Science from an ALA-accredited college or university and two years of library experience working with adults; or a similar combination of work experience and education.

LICENCE OR CERTIFICATE

Must possess a valid and current driver's license

NOTE: The above description is illustrative only and is not meant to be all-inclusive.

DRAFT MINUTES CANTON BOARD OF SELECTMEN

Wednesday, October 8, 2014, Regular Meeting Community Center, Conference Room F, 7:00 pm Immediately Following Town Meeting

Selectmen Present: First Selectman Richard Barlow, Selectmen: Thomas Sevigny, David

Gilchrist, Stephen Roberto, and Lowell Humphrey

Absent: None

Also Present: Chief Administrative Officer Robert Skinner and Recording Secretary

Kerri Kazlauskas

R. Barlow called the regular meeting of the Board of Selectmen to order at 7:06 pm.

I. PLEDGE OF ALLEGIANCE

II. PUBLIC PARTICIPATION- None

III. APPOINTMENTS / RESIGNATIONS- None

IV. ADOPTION OF CONSENT AGENDA

- A. Refund of Taxes pursuant to Connecticut General Statutes 12-129
- B. Request by the Police Department to dispose of miscellaneous electronic equipment pursuant to Section 6.05 (c) of the Town Charter.

MOTION: D. Gilchrist moved to approve the Consent Agenda and L. Humphrey seconded the motion. The motion passed unanimously, 5-0-0

V. CONSIDERATION OF OLD BUSINESS

A. Determine proposed funding source for a \$12,000 increase in Police Chief's salary and re-set Town meeting time and date for a vote on whether the Chief of Police will be appointed as the Emergency Management Director and, if necessary, the transfer of \$12,000 to the supervisor salary line item in the Police Administration budget for the purpose of compensating the Chief of Police. – R. Skinner communicated that at the last Board meeting this was on the agenda and they had set a date for tonight for a Town meeting. Unfortunately, it was determined that the Motion that the Board of Finance (BOF) adopted did not include that the funding would come from the undesignated fund balance. The Finance Officer stated that the motion should state that it was coming from the undesignated fund balance. At this point there are two options. First, the Board can bring it back to the BOF to request it specifically comes from the undesignated fund balance. Second option is to have it come from the Fire Marshal salary line item. L. Humphrey questioned the annual increase since the Chief of Police was not in the role the first two months of the fiscal year. R. Skinner replied that the salary would be prorated. - MOTION: S. Roberto moved to approve the \$12,000 increase to Police Chief's salary from the salary line item of the Fire

Marshal budget and set a Town meeting for 7:00 pm on 11.12.14 at the Community Center for a vote on whether the Chief of Police will be appointed as the Emergency Management Director and approve the transfer of \$12,000 from the Fire Marshal salary line item to the supervisor salary line item in the Police Administration budget for the purpose of a \$12,000.00 annual salary increase to this year's budget the Chief of Police. D. Gilchrist seconded the motion. The motion passes unanimously, 5-0-0.

VI. CONSIDERATION OF NEW BUSINESS

- A. Review and possible approval of the Connecticut Department of Transportation's Master Municipal Agreement for Rights of Way Projects. R. Barlow shared that this is a master agreement that is necessary for us to sign as part of the Town Bridge Rehabilitation Project. R. Skinner stated that without this agreement we would not be able to get federal funding which covers the bridge project and other projects. MOTION: D. Gilchrist moved to approve the resolution and authorize Richard J Barlow, First Selectman to sign the agreement titled the Master Municipal Agreement for Rights of Way Projects and T. Sevigny seconded the motion. The motion passed unanimously, 5-0-0.
- B. Review and possible approve changes to the Transfer Station policies. R. Barlow pointed out that there is a memo in the BOS packet from B. Martin the DPW Director that speaks to the changes. R. Skinner stated that the only fee changes is changing the \$10 one time pass to a \$10 day pass so residents can come back multiples times in the same day. S. Roberto asked about differences in fee structure for someone with a \$10 day pass versus an annual pass. R. Skinner clarified that a person using the facility still pays for the bulky waste in the same manner, the passes just gets you access to the Transfer Station. R. Skinner also discussed the possibility of reducing the hours of the Transfer Station in exchange for lowering the Transfer state permit costs and being open in the evenings. This proposal will be further reviewed during the budget process. R. Barlow clarified that for this meeting the only changes that are looking for approval is for the day pass. R. Skinner stated that information on additional changes would be coming. MOTION: S. Roberto moved to approve to change the one time pass to a \$10 one day pass at the Transfer Station and D. Gilchrist seconded the motion. The motion passes unanimously, 5-0-0.
- C. Review creation of an Animal Control Officer position and if appropriate forward to the Board of Finance for consideration. R. Skinner referred to the memo in the BOS packet and reviewed how Animal Control had previously been handled. R. Skinner shared the recent changes that were made in Avon in regards to the Animal Control Officer. He then went through the proposed changes discussed at the last BOS meeting. L. Humphrey asked questions in regards to the current contract and Avon's obligation to fulfill it. R. Skinner agreed that we could probably contest the changes made by Avon but it's not financially in our best interest to pursue. R. Skinner cleared up questions around the logistics of the positions and the agreement with Avon. T. Sevigny asked if these changes would cost the Town more, same, or less. R. Skinner stated it could possibly lead to a savings. S. Roberto clarified his understanding asking if it would functionally stay the same. R. Skinner answered

that it would. There were two Motions made. MOTION: D. Gilchrist moved to accept the part time position Animal Control Officer and forward to the Board of Finance for consideration and T. Sevigny seconded the motion. The motion passed unanimously, 5-0-0. MOTION: D. Gilchrist moved to accept the Animal Control job description contingent on the position's approval and T. Sevigny seconded the motion. The motion passed unanimously, 5-0-0.

D. Adoption of the Capital Region Natural Hazards Mitigation Plan. – R. Barlow shared that the Town has done this in the past. He also stated that it puts us in the position that we can apply for grants as they become available. R. Skinner stated the Cantons version of the plan is in the BOS packet as well as a link to view the entire plan. MOTION: S. Roberto moved to have First Selectman, Richard J Barlow sign the resolution titled the Town of Canton Resolution Adopting 2014-2019 Capital Region Natural Hazards Mitigation Plan Update and D. Gilchrist seconded the motion. The motion passed unanimously, 5-0-0.

VII. MINUTES OF PREVIOUS MEETINGS

A. Approval of Board of Selectmen Minutes: 09-24-2014 Regular Meeting - MOTION: S. Roberto moved to approve Board of Selectmen Minutes: 09-24-2014 Regular Meeting and D. Gilchrist seconded the motion. The motion passed unanimously, 5-0-0.

VIII. COMMUNICATIONS FROM THE CAO, TOWN AGENCIES, OFFICIALS AND/OR OTHER GOVERNMENTAL AGENCIES AND OFFICIALS

- A. First Selectman's Report R. Barlow stated that he attended the Cherry Brook School Playscape ribbon cutting ceremony. He gave to the two committees and their chairs for the fundraising and working it through the process. He also thanked DPW for an outstanding job for their work out there. R. Barlow stated that over the past two weeks he attended the Board of Education 5 year strategic planning process meetings. R. Barlow shared that he and R. Skinner met earlier this week to set up meeting with the chair of the BOE and the Superintendent to go over emerging needs such as the prior CIP. R. Barlow asked the BOS to highlight 11.17.14 on their calendars for BOF meeting. R. Skinner stated that the CIP meeting will need volunteers. R. Barlow and D. Gilchrist volunteered.
- B. CAO Report- R. Skinner passed out a budget projections spreadsheet. He pointed out that the spreadsheet highlights what the budget should look like in the coming years if we continue to have growth based on the prior year's numbers. Also included is the bonding for the garage and the additional bonding that we already approved. R. Barlow stated that looking back at the past 7 year the expenditures for the Town has gone up an average of 1.65% per year and the overall tax rate increase has been 6.92% not including revaluations. R. Skinner pointed out that the budget increases they have going on this year is consistent with prior years. R. Barlow highlighted some other areas on the budget. R. Skinner then mentioned that he is meeting with Silver Petrucelli and Orlando Annulli, along with some Town Officials to discuss the Garage and start looking at the presentation for the Town meeting. R. Skinner mentioned that the Town meeting on 10.22.14 is at the Canton High School and asked if the BOS meeting would be held there or at the Community Center. R. Barlow stated that he is planning on coming back to the Community Center for the BOS meeting but would maybe change the location based on how many items need to be addressed. R. Skinner then shared the pavement schedule for the next six weeks. D. Gilchrist mentioned his concerns around digging on our

roads without notifying any one. R. Skinner went over the proper procedures to excavate in the Town right-of-way. D. Gilchrist shared the specifics on an incident that had occurred on his street and R. Skinner stated he would look into it. R. Skinner communicated that State and Federal officials along with representatives of Citizens Energy will meet next week to discuss the fish latter for the Hydro Project. He is expecting a revised letter intent from Citizens next week. R. Skinner then shared that a new Recreation Supervisor has been hired. Her name in Courtney Hewitt and she currently employed by the Town of Wethersfield. Next R. Skinner shared that Adam DeLaura who is the Library Head of Technical Services and IT Support will be leaving to go to Mansfield. Adam has agreed to assist with IT Support in the interim while we look to fill the position. R. Skinner then announced there will be a press release going out to the public for recommendations for capital improvement projects.

C. Correspondence- Charline G. Whalen

XI. **REMARKS BY SELECTMEN** – D. Gilchrist asked what the restrictions for BOS members in regards to supporting the Public Works Project. R. Skinner answered that you cannot use Town resources to advocate for the garage. S. Roberto mentioned that Senator Witkos brought to him an unsigned proposal for the Town Garage that was discussed at the PMBC meeting last night. R. Skinner mentioned that Kevin Witkos brought the proposal to his office. It was an unsigned proposal with no names, developer, or contractor on the proposal. The proposal was to put a combined Fire Station and Highway Garage at 51 River Rd. It has a map and some specifications with the proposal. The map and proposals have been reviewed by the Town Planner, Project Administrator, and the Towns consulting engineers. The Town Planner indicated in a memo that were a number of issues with the proposal including where it is sited and the violations of setbacks. The Project Administrator documented where those setbacks would be and it clearly violated the setbacks. The consulting engineers concurred with the Town Planner and Project Administrators findings and added that the traffic structure there would be impeded. D. Gilchrist reiterated that there was an RFP and this anonymous proposal was not brought forth at that time. L. Humphrey shared his thoughts that it appeared this proposal was coming out at this time to confuse the public and was a lack of respect for the public process. R. Barlow revealed one of his reasons for wanting the 325 Commerce Dr. was the distance it created from the residences property and this proposal couldn't get any closer. S. Roberto then asked about the former Dial-A-Ride maintenance contract. He questioned how Martel the new contract holder was able to do all the repairs and maintenance that the former was never adequately able to do. And, was there any recourse with the former contractor. R. Skinner stated that they have asked the former contractor questions as to what they have done and they communicated that they had completed the repairs requested of them. S. Roberto also commented on the posted meetings schedules and the accuracy of them. R. Skinner stated he was aware with an issue with this and is already addressing it.

XII. ADJOURNMENT

MOTION: D. Gilchrist moved to adjourn the regular meeting of the Board of Selectmen at 8:26 pm and T. Sevigny seconded the motion. The motion passes unanimously, 5-0-0.

COLLINSVILLE, CONNECTICUT 06022-0168
OFFICE OF THE FIRST SELECTMAN

October 14, 2014

Mr. Frank Borawski, PE, LS PDS Engineering and Construction 107 Old Windsor Road Bloomfield, CT 06002

RE: Unsigned Proposal to Construct Public Works Facility at 51 River Road, Canton

Dear Mr. Borawski:

On May 12, 2014 the Town of Canton issued a Request for Proposals (RFP) for the design and construction of a Public Works Facility at 325 Commerce Drive. The RFP also allowed bidders to propose a facility on an alternative site. The RFP process used is typical for solicitations by government agencies to insure that there is open competition and that the process is transparent so the public has confidence in the outcome.

The Town received four proposals for construction of a Public Works Facility at 325 Commerce Drive and one for an alternate site on Albany Turnpike (Route 44). When the bids were opened and made public PDS Engineering and Construction's (PDS) bid for 325 Commerce Drive was the apparent low bidder by \$670,000. Shortly thereafter, PDS informed the Town by a letter dated July 3, 2014 that PDS had made a math error and that the bid was now actually \$659,769 higher, making PDS's bid only \$10,231 below the next lowest proposal submitted by Orlando Annulli and Sons (OAS). The Board of Selectmen chose to select 325 Commerce Drive as the preferred location and to award the bid to OAS. In the interest of fairness and transparency, PDS's bid was not considered since PDS raised its bid after the proposals were made public.

Since that time the Town has entered into negotiations with OAS and have agreed on a price. The Town has taken the necessary action to place the question before the Town electorate on the November 4th ballot.

On September 24th, three months after the RFP officially closed, an anonymous proposal for an alternative Public Works Facility was delivered to the Chief Administrative Officer (CAO) Robert Skinner by Senator Kevin Witkos. The proposal was to create a combined Public Works Facility and Fire Station on Town owned property at 51 River Road. It also included the demolition of both existing structures and the construction of two baseball fields. No site for the two ball fields was identified. Senator Kevin Witkos stated that he was submitting the proposal on behalf of individuals who did not wish to be identified. The proposal had a total cost of \$4,735,000, coincidentally only \$45,000 below the referendum amount for the AOS proposal. The proposal was outlined in a letter

Phone 860.693.7847 Fax: 860.693.7884 rbarlow@townofcantonct.org www.townofcantonct.org

dated September 24, 2014 to the attention of the Permanent Municipal Building Committee which had both the letterhead and signature blacked out. Documents submitted also included a site plan and front building elevation with no identification of the designer and were not sealed by any licensed professional. Additionally, the specifications for the 51 River Road proposal are actually copies of the specifications contained in the Town's RFP for the Commerce Drive site except that the Town's name is deleted.

PDS has never formally submitted any documentation directly to the Town identifying themselves as the developers of the anonymous proposal. Only through acknowledgement to a Hartford Courant reporter has your firm confirmed that it was in fact the author of the anonymous proposal. In summary, PDS submitted a bid in response to the original RFP. After the bids were disclosed, PDS raised its bid by \$659,769 making its bid just below the proposal by OAS, which resulted in PDS's bid not being considered. Three months later, PDS delivers an anonymous proposal through a State Senator that is \$45,000 below an already established referendum for the Public Works Facility.

After consulting with the Town Attorney, I am formally notifying you that the proposal dated September 24, 2014 is not being accepted or considered by the Town. To accept an anonymous proposal, delivered by a high ranking government official three months after the RFP deadline has passed would be a significant breach of the open and transparent process for which all government procurement strives to achieve. I am still in disbelief, that a reputable engineering firm would attempt to subvert that process by knowingly submitting an anonymous proposal three months after bidding has closed and just six weeks prior to a referendum vote. I would suggest that the way in which your firm handled this matter represents a serious breach of appropriate professional conduct.

Even after acquiring PDS's proposal under such dubious circumstances, I did direct the Town Planner and engineering consultant to review the documents. Furthermore, in support of transparency, I forwarded the documents to the Permanent Municipal Building Committee. The Town Planner and our consultant revealed that the River Road proposal has significant issues. This is consistent with the findings of PMBC when they have studied the site in the past.

As stated, on advice of the Town Attorney, your proposal is not being accepted or considered by the Town. Also, please identify yourself and your firm on any future correspondence, communication or proposals that you submit to Town Officials.

Sincerely,

Cichard J. Bulow

Richard J. Barlow First Selectman

Cc: Attorney Richard Roberts, Halloran & Sage

TOWN OF CANTON

FOUR MARKET STREET P.O. BOX 168 COLLINSVILLE, CONNECTICUT 06022-0168

October 17, 2014

A letter to the Editor:

In his letter to Canton Compass, Lou Daniels questions why the Town should proceed with the construction of a new public works garage until it is explained how the Town intends to "solve the Collinsville Fire Station issue." Thankfully, as a former member of the Board of Selectman from 1992 to 1997, Mr. Daniels recognizes that there is no disputing that Canton needs a new public works garage.

Background on the capital planning process is outlined here to provide more context on how projects have been identified and prioritized. In 2011, the Board of Finance requested that the Board of Selectmen and the Board of Education collaboratively develop a plan and priorities for the bonding of future capital projects identified by these boards. This action was taken based on the Board of Finance's recognition that not all projects could be funded, but several top priorities could be addressed as the Town's bonding debt on prior projects was being paid off and current bonding rates were favorably low.

A Capital Projects Study Group comprised of representatives from both the Board of Selectmen and the Board of Education and other key town staff including the Chief Administrative Officer, the Superintendent of Schools, the Finance Officer and the Town Project Administrator was formed. That Group identified fifteen projects that should be considered for possible bonding. The list included (not in priority order):

- 1. Modifications to the Town Hall to meet ADA and Code Compliance;
- 2. Powder Mill Road sight line improvements;
- 3. Replacing the public works garage;
- 4. Intermediate School roof replacement;
- 5. A new track/field at the High School
- 6. Community Center/Library roof replacement;
- 7. The Collinsville Fire Station;
- 8. High School roof replacement;
- 9. Intermediate School solar panels;
- 10. A new High School/community gym;
- 11. Pavement management (road repairs);
- 12. Mills Pond Pool;
- 13. High School solar panels;
- 14. Cherry Brook School roof replacement:
- 15. A new access road to the High School

The total estimated cost for all these projects at that time was \$29.7 million dollars. The Group then developed the following principles for ranking these capital projects which included:

- 1. Safety Project is necessary to protect public health and safety or reduce liability;
- 2. Preserve Existing Assets Project will substantially extend the life of an existing asset or preserve infrastructure;
- 3. Funding Project will be partially funded by leveraging other funding sources;
- 4. Service Delivery- Project will substantially improve the delivery of necessary services to the public;

- 5. Financial Benefit Project will promote energy conservation and/or sustainability;
- 6. Legal Mandates Project will satisfy a legal or government mandate and;
- 7. Future Costs Project requires substantial future operating or maintenance costs.

The final ranking resulted in identifying Tier One Projects - the pavement management program (which included the new access road for the High School) and the four roof projects. Tier Two Projects were the public works garage and the new track/field.

Not recommended for bonding at that time, were the Town Hall upgrades and Powder Mill Road Sight Line improvements. Based on the ranking criteria, all the other projects including the Collinsville Fire Station were not considered by the Group for bonding at that time.

The Group's report concluded that the Collinsville Fire Station will eventually, but not urgently, need to be either substantially improved/updated or rebuilt at another location. The Group concluded that the fire station was currently meeting the needs of the department and was in much better condition when compared to the current inadequacies of the public works garage. Furthermore, significant research and planning would need to be performed before a new fire station could be built, including evaluating potential efficiencies and other benefits based on choice of location and combination of fire stations. The report further indicated that the Fire Station will have to receive incremental improvements such as new doors, an efficient heating distribution system and a generator among other improvements prior to a major overhaul or rebuild.

The Board of Finance, after evaluating the project costs and the ability of the Town to finance new debt, ultimately recommended that the Tier One and Tier Two Projects be bonded subject to approval by Canton's voters. To date, the voters have approved bonding for all those projects with the exception of the public works garage.

The Board of Finance utilizes a long-range financial planning model to consider impact on Canton's taxpayers under various expense and revenue scenarios. Current modeling scenarios include the bonding of all of the Tier One and Tier Two projects, but not any of the other projects in the near term due to their projected expense impact on the town's budget and potential impact on taxpayers. On that basis, the Board of Selectmen using capital project funds from their annual budget, has upgraded the doors at the Collinsville Fire Station, replaced the heating system, added a new propane generator and recently replaced the lavatory facilities. These upgrades and improvements have extended the station life until the time when the Board of Finance will consider additional bonding for capital projects.

The capital planning process is detailed, inclusive and openly discussed annually in an effort to assure all residents that town officials prudently spend your tax dollars as we protect and improve Canton's infrastructure. Input and ideas are welcome, as evidenced by the prompt referral of the most recent anonymous garage and fire station proposal to the Permanent Municipal Building Committee and re-consideration of the River Road site. Unfortunately, the materials provided did not pass professional due diligence based on the original and revised site plans received.

Sincerely,

Richard J. Barlow Brian First

First Selectman Chairman, Board of Finance

To: Board of Selectmen

From: Robert Skinner, Chief Administrative Officer

Date: October 20, 2014

Re: Monthly Report –September 2014

ASSESSOR

• General administrative duties continue –

- Field work
- Real property ownership changes
- Exemptions are being posted as needed
- Assistance residents with Homeowners, Renters & Veterans programs
- Preparing State Reports
- Assist Staff and General Public with research requests for current and archival information concerning maps, land, buildings, title, motor vehicles
- Field work for Building Permits and map changes are in process to update records for the 2014 Grand List
- Deadline to apply for State Renters Rebate was October 1, 2014 Total applications processed to date is 99
- Personal Property information for new accounts is being collected for the 2014 Grand List existing accounts are being reviewed 734 Declarations were mailed in September (required completion/return date is November 1, 2014)
- Preliminary steps are being taken to install Quality Data Service as Assessor's Office primary software for the October 1, 2014 Grand List

BUILDING DEPARTMENT

- There was one permit issued for a new single family house. The location is Cherry Brook Road.
- The permit was issued for alterations to the structure located at 10 Dyer Cemetery Road for Matterhorn Mini-Golf.
- Simply Mac, which is an Apple retail store, was issued a permit for tenant fit-out located at The Shops at Farmington Valley.
- Mr. Rich conducted a total of 77 inspections.

LIBRARY

PROGRAMS:

ADULT: 14 programs with 47 participants

- Monday Evening Book Discussion Club 5 participants
- Saturday Book Conversations Book Discussion Group 7 participants
- Knitting and Handiwork Group 13 participants
- Knitting Fish Hats 2 sessions with 13 participants
- Book-a-Librarian 9 sessions with 9 participants

TEEN: 7 programs with 68 participants

- Teen Book Discussion Club 6 participants
- Teen Advisory Group (TAG) 12 participants
- Young Writers Club 6 participants
- After-School Wii Tournament 18 participants

LIBRARY CONTINUED

- Craft Program 6 participants
- Dungeons and Dragons group 2 sessions with 20 participants

CHILDREN'S: 8 programs with 197 participants

- Drop-In Story Times with Ms Heather & Ms Sue 4 sessions with 106 participants
- Music for Me with Ms. Michelle 3 sessions with 63 participants
- Story Time with Ms. Heather (registered group) 1 session with 28 participants

PROGRESS:

- Our two adult book discussion groups resumed activity in September. Both groups meet monthly. Beth Van Ness is the staff liaison to the Saturday group, while Reference Assistant Elizabeth Gottheimer (who replaced Meghan Glasgow) is the staff liaison to the Monday group. Liaisons help the members to choose their titles and then order copies of the books in sufficient numbers but, due to staffing issues, they don't attend the sessions.
- Our monthly knitting and handiwork group started its new year in September. Beth Van Ness has been working hard to build up membership, which historically has been very low (2 or 3). In September, 13.
- A local mother and daughter who knit hats for children with cancer and blood disorders asked if they could use the library as a meeting place for their group. We hosted their two September meetings. Thirteen participants.
- Our Book-a-Librarian program, through which the reference staff offers one-on-one help to patrons on a variety of topics (mainly but not exclusively technology), was well-used during September. Nine patrons reserved sessions.
- Allyssa Bruce has a new teen book discussion club up and running. They meet once per month. The same is true of her Teen Advisory Group (TAG).
- Allyssa also started a young writers group. The first meeting was held in September. Volunteer Clair Williams is running the club for Allyssa, and the group will continue to meet on the first Tuesday of every month.
- Her new *Dungeons and Dragons* group met in September for their first two sessions. This group will meet everyother-week. The same is true for her popular after-school Wii tournaments twice per month.
- Teen craft classes continue to be big attractions. These meet monthly.
- During September, Allyssa weeded and shifted the teen book collection to remove shelf-sitters and to free more room for new acquisitions and for book displays.
- Story times are back. A drop-in story time on Tuesday mornings started in September and will continue through December. Supplementing these, the regular, registration-only story time semester began on September 29 (one session on Monday mornings, two on Thursday mornings and afternoons, and a Thursday evening pajama story hour twice per month). The registration-only semester will run through November 17. Heather Baker notes that, with full-day kindergarten now implemented in town, we are seeing fewer kindergarteners participating, which is a shame.
- Sue Tarinelli, our newest assistant in the Children's Room (previously, she was a Page), is now helping Heather Baker with her Tuesday drop-in story times. Heather provides the stories and songs, followed by Sue, who provides the craft. This has proven to be a very popular event. The children also are being treated to extra experiences like a walk out into the town's community garden to see sunflowers growing. Sue also encouraged the story time parents to sign up for their own garden plots next spring.
- Michelle Begley of the Children's Room staff started her *Music for Me* story time again in September. This is a weekly drop-in event for children ages 6 to 36 months. Good attendances!
- Heather and Michelle met with the CIS school librarians twice during September to plan joint ventures for the new school year. They also met with CIS faculty to develop a set of behavior standards for students while visiting the public library. These standards will be posted in the library with the understanding that the school is supporting our efforts for encourage appropriate behavior by students.
- The Friends of the Library held their annual September book sale on the 6th and 7th. Despite some challenges (the chair became sick just before the event and book donations dropped off noticeably), the event was successful and brought in good income. The Friends also paid to share a table with the library at Sam Collins Day. Books and other items are sold and library information is given out to all passers-by.
- One thing that patrons love about our new ILS is the ability to obtain items, even new items, from all the libraries of the network. And their requests arrive quickly. See the interlibrary loan statistics, which have skyrocketed.

PROBLEMS/CHALLENGES:

- Adam Delaura has left us, effective September 10. See below for details.
- Library Connection has declared that the new ILS is counting our circulation statistics correctly and they will not research the matter further. As most of the member libraries are experiencing circulation drops -- all hovering around ten percent -- we do not feel that the matter is resolved. It seems to be a stand-off.

LIBRARY CONTINUED

• LCI continues to refine the statistical reporting so that we can receive the operational statistics we need. Many of us directors are getting tired of submitting statistical reports with "n/a" appearing in so many categories.

PERSONNEL:

- Elizabeth Gottheimer is our new Reference Assistant, as of September 15. She replaces Meghan Glasgow, who left us in August to take a librarian job with the school system. Elizabeth has her MLS degree and has been working as one of our Circulation Assistants. She is doing very well.
- Also on September 15, Page Susan Tarinelli took over Margaret Colavecchio's hours to become a Library Aide I in the Children's Room. At the same time, Margaret took over Susan's hours as a Library Page, the only job which does not require computer work.
- Head of Technical Services Adam Delaura was recruited to accept a similar position at the Mansfield Library. His last day in Canton was October 10. Adam's contributions to our library, especially in the area of technology, were huge and his loss is a blow. I am working with Town Hall to advertise his job and find a replacement as soon as possible. As with Adam, the new Head of Technical Services will work 30 hours per week at the library and ten hours per week for Town Hall as a technical support person.
- Personnel evaluations for the Fiscal Year 2013-14 are being conducted now. All five full-time staff, plus all four "benefit-eligible part-time staff" (those who work 20 hours per week or more) are involved. A total of nine individuals.
- Staff attendance at meetings: FOL September Book Sale (RS), Library Connection Member Council (RS), Town Department Heads (RS), Quarterly Regional Directors Meeting (RS), Sam Collins Day (RS, AD), meetings with CIS librarians and faculty (HB, MB), Teen Librarians Roundtable (AB), Library Connection Technology Committee (AD), Library Connection special Sierra training (KB, Circulation Assistant Andrea Torrillo), Library Connection Circulation Supervisors Committee (KB).

PARKS AND RECREATION

- Fall programs are underway which includes a variety of returning programs such as Youth Musical Theatre, Acrofitness, and After School Mad Science. In addition, we offered several new programs including a highly popular Dance/Gymnastics program which has 24 students enrolled for its first session.
- Director has been involved and attended numerous meetings with the Safe Routes to School Committee and is assisting with planning the new Walk to School event scheduled for October.
- Preparation has begun for upcoming winter activities including the After School Ski program. The Director has also developed a new "Program Worksheet" to be used by the Recreation Supervisor to assist with program planning and organization.
- Program analysis from summer activities was completed and a short fall has been identified. The Director is working on ways to increase revenue and reduce costs in the Special Revenue Fund moving forward.
- Park projects are being worked on (several projects hit a snare with price quotes being higher than expected). It is anticipated the details will be worked through in the coming weeks.
- The first annual Family Fitness Festival was held at Mills Pond Park on Saturday September 24th which included a dozen local health vendors, fitness class demos in the park including yoga, zumba, and boot camp. There was also children's entertainment. The event was well received, had virtually no costs, and aligns with the department's mission to promote health and wellness for the community.
- Interviews were held for the new full time Recreation Supervisor position. A top candidate has been selected and the hope is for the individual to start in October.

POLICE DEPARTMENT

PERSONNEL

- Sep. 1: Northwest Community College student began CPD internship program.
- Sep. 9-11: Off. Lederman attended DUI training course at POST Academy.
- Sep. 11: Chief Arciero attended the States Attorney Legal Update training at POST academy.

SPECIAL EVENTS

- On Tuesday, September 2nd Canton Senior Center held it's annual SENIOR CENTER CELEBRATION. This years' theme continued to be (according to the National Council on Aging) "Senior Centers: Experts at Living Well". Last year, all the aspects of "wellness" were illustrated, and the event was colorful and bright. This year, 'wellness' and how to stay well, with only a few small changes in lifestyle, were signified by the apple so this was the theme of the event. Over 70 people were in attendance for it; the event featured a lovely meal provided by Cherry Brook Healthcare Center, Village Gate at Farmington, Governor's House in Simsbury and apples for the place settings were provided by River Ridge at Avon.
- On Wednesday, September 3rd, Canton Senior Center held an informational meeting about Wii Bowling, to gauge interest in who may be interested in creating a wii bowling team. Over 15 people came out and attended the workshop; two wii bowlers from Avon were invited to showcase their skills, talk about their experiences and to teach those who were new to the game how to use the equipment. Because of this meeting, 3 Canton Wii Bowling teams have now been formed and they meet on: Monday afternoons, Wednesday mornings & Thursday mornings © Refreshments were provided. Most players are Canton residents, though the teams are open to folks from outside communities as well.
- On Friday, September 19th, a group of volunteers got together and solicited donations to hold a party for Director of Senior & Social Services. This was held from 1-2pm in the multipurpose room, and enough food and plasticware was provided to ensure that the event turned into a Senior Center event- seniors stayed for cake after their regularly scheduled meal with CRT; volunteers and friends came for lunch and cake and ice cream. The event was wonderful and Claire was touched by it, and very happy that the event was for everyone ©

ADMINISTRATIVE

- Janet took appointments for Medical Transportation and CRT Meals. Called in the meal count on Wednesdays and Fridays weekly.
- Janet modified the CRT Meal sign in sheet for the following week, as well as added people and taking them off the listing.
- Janet updated and inputted data in Excel Spreadsheets for various programs in the department (daily).
- Janet collected money and receipted money for the departments varies programs as people walked in to sign up.
- Janet counted the money collected for programs and prepared the deposits for the department (weekly).

SENIOR & SOCIAL SERVICES CONTINUED

- Janet made reservations for the upcoming senior programs in the calendar system for the new fiscal year and as needed.
- Janet answered the department's telephone, routed and handled the calls as needed on a daily basis. Take message for the Director as needed (daily).
- As people come in the office answered questions and/or take care of what they need.
- Janet made up flyers and sign in sheets as needed for programs (daily).
- Janet made file folders in computer and arrange them in order and dragged scan documents in the file.
- Janet set-up distribution lists in the e-mail outlook program.
- Janet updated DAR spreadsheet when new members are added and then e-mails the updated DAR spreadsheet to Martel Transportation staff.
- Janet called volunteers to ask if they are available to transport clients to medical appointments. Record information on spreadsheet and follow-up with clients.
- Janet updated the Food Bank spreadsheet and added new members and e-mailed the updated listing to the appropriate individuals.
- Janet helped with the Special Events, made sign-up sheets, and collected money for the event. Makes coffee and helps with set-up for the event, doing whatever needs to be done.
- Janet received new flyers for upcoming Getaway trips. Discussed with Claire what trips we will offer, then contact Getaway staff to let them know which ones we choose. Made sign out sheets for each upcoming trip and well as copying the flyers for distribution. Organized the flyers on the table and put the flyers and sign-up sheets in the Getaway black binder. Janet coordinated each Getaway trips. Notifies the attendees and Tour Company with the pertinent information. Receipts the money and tracks deposits and final payments for each trip.
- Posted all trips on the Canton Senior Center and Social Services webpage.
- Janet sent out Press Release and Q-Notify E-Mails.
- Janet recorded and receipted DAR monies for FY14/15, and send out policies and procedures to members.
- Janet compiled information for the upcoming Scribe Newsletter and inserted it in the Newsletter.
- Janet made appointments for clients who want an in office appointment for Food Bank membership for FY14/15 with Claire.
- Janet posted events on the Canton Senior and Social Services Website.
- Janet sent out and faxed DSS documentation for clients and follow-up on the documentation as client's requested.
- Janet scheduled and cancelled appointments for Claire utilizing the shared calendar in the outlook program.
- Janet contacts the contracted copier vendor when we need a printer toner.
- Janet reviewed and verified invoices received from Taxi Companies against our spreadsheet records to ensure accuracy of invoices. Input the charge of each trip on the spreadsheet.
- Janet updates the Enhanced DAR Grant Quarterly Report monthly.
- Janet helps people as they come in the office on a daily basis.
- Janet faxed and scanned documentation to D.S.S. for client's that utilize the department's resources services.
- Janet prepared paperwork from invoices received from fuel vendors requesting payment.
- Janet set-up a sign-up sheet in Excel to schedule people to meet with Claire for Energy Assistance. When the people call in to make the appointments, Janet schedules them and confirms the appointments. When clients come in for their appointments, I make copies of the documents which are required in the application process.
- Set-up schedules for our new Wii Bowling Teams. I coordinated the teams making the necessary calls to interested participants and checking their availability to meet weekly. I
- Janet compiled the data for the top portion and my portion of this report.
- Janet filed documents and set-up new folders in the department's file system.
- Janet compiled a report for Claire for how much funding we received and used for fuel assistance utilizing the Expenditure Social Services spreadsheet.
- Janet made appointments for the Choice Representative and mails blank applications to the individuals to fill out for their appointments. Calls the individuals to confirm their appointments. E-mail the appointment schedule to the Representative.
- Janet notified the maintenance staff for various issues that arise at the Senior Center, filled out School Dudes as needed.
- Janet performed any administrative duties as need throughout the department and whatever needed to be done within the department.

SENIOR & SOCIAL SERVICES CONTINUED

WPCA

OPERATIONS

- The plant achieved 98 % BOD removal and 98 % Suspended Solids removal.
- The Effluent plant flow, monthly average decreased from .457 MGD to .416 MGD
- Rainfall total for the month is 1.39 inches.
- Plant is running well.

LABORATORY

- Analyzing Primary Tank solids, Secondary Solids, and sludge shipped by Synagro.
- Monthly Nitrogen and Phosphorus are analyzed and weekly Effluent Nitrogen to comply with the general permit for Nitrogen.
- Regular permit testing was done in house including pH, Temp, BOD, TSS, Alkalinity, and other tests as needed or required by the permit. All required permit parameters were met.
- Shipped sludge solids, averaged 2.5 % this month.
- Twelve loads of sludge were shipped by Synagro @ 78,000 gallons this month.

COLLECTION SYSTEM

- Lift station inspections were performed twice per week.
- Marked call before you dig locations.
- Connection to sewer system made for 10 Dyer Cemetery Road, Matterhorn Mini Golf
- Connection to sewer system made for 9 Forest Lane
- Collected connection fee for 14 North Street
- Collected connection fee for 59 River Road
- Dukes Root Control came in and performed chemical application on 2500 linear feet of sewer line

MAINTENANCE

- Monthly and weekly duties performed.
- Cleaning D.O. Probe in RBC Tank on a weekly basis
- 24 hour cleaning of sand filters

WPCA CONTINUED

- Cleaning 1 bank of UV bulbs each week
- Annual oil changes on outside equipment performed
- Annual take down and cleaning of Primary tank # 1

SAFETY AND TRAINING

- Performed test of all emergency exits signs and lights.
- Cleaning of emergency eyewash stations.
- Annual review and sign off of "Hazard Communication Plan" (GHS)

ADMINISTRATIVE

- Generator ordered for Town Bridge pump station
- Attended DEEP Nitrogen Trading Program update in Hartford
- Sewer work and inspections have started on North Street
- Met with P. Dombrowski to work on a 10 year Capital Plan for the facility and pump stations
